

2117 Measurement and size guide

217
OF SWEDEN

Measurement guide:

1. Chest: Measure chest at the widest part of the chest all around.
2. Waist: Measure the narrowest part of your torso (usually just above the belly button) all around.
3. Hip: Measure hip at the widest part of hip (18cm below natural waist).
4. Inseam: Measure inseam from middle of the crotch all the way down to your heel.
